Door Code, Drop Off, and Pick Up

All parents should have received a door code via Dojo app or from your child's teacher. Please do not give out the code. If someone other than a parent needs to pick up a child, have him/her ring the doorbell (office phone 985-868-7793). Also, please make sure that whomever you send is on the pickup list and has identification with him/her.

Please take all children out of the vehicle when dropping off and picking up. We would like everyone to be safe. Please also remember to sign your child in and out each day.

Thanks!
